🌟 Personalized product recommendations

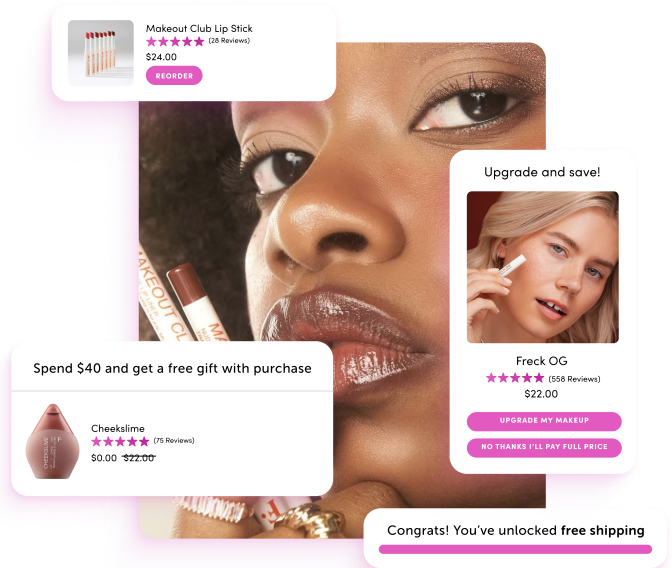

Leverage AI-driven widgets to deliver personalized product suggestions, increasing engagement and boosting revenue.

🏠 Flexible placement across your store

Implement widgets at strategic touchpoints (home page, product pages, collections, cart, and checkout) to influence purchasing decisions and streamline the shopping experience.

📊 Advanced analytics

Gain actionable insights into widget performance, shopper behavior, and revenue impact to continuously optimize your strategy.

💰 Widgets that drive revenue

Drive engagement with a suite of personalization widgets like Complete The Look, Top Sellers, and flexible Dynamic Bundles.

⚡ Supercharge subscriptions

Turn one-time shoppers into lifelong subscribers with intuitive one-click sign-ups that reduce friction, lift LTV, and foster loyalty.

OLLY

63% increase in subscription revenue

"Adding Rebuy was like pouring fire on our subscription program."
